

FAASafety Team--FAAST presents:

**Holding Patterns as EASY as 1-2-3, It couldn't be
any easier!**

Holding Patterns are not just for controller amusement. Learn how to master, visualize, and figure out the entry in 3-5 seconds. See full description below. Reserve your space on faasafety.gov or contact Bob Crystal @ (818) 371-8653 and/or Email @ IFRVNY@AOL.COM

Directions: Exit 101 Freeway at Los Posas, head south on Los Posas. Turn right at the Pleasant Valley traffic light. Turn right at traffic light located at Airport Way. The Dept. of Airport Building is the last building on the left where Airport Way dead ends at Durley. Fly ins: A three minute walk from the walk-through gate adjacent to Channel Island Aviation. Walk out Durley, turn left on Durley. Find the Dept. of Airports Building on your right at the intersection of Durley & Airport Way.

A message from the National FAASTeam Manager

Over 10,150 AMTs earned an AMT Award last year. Will you, this year?
Sign up for the FAA's safety services at www.FAASafety.gov!
